

**CITY OF SAN DIEGO MEDICAL MARIJUANA TASK FORCE  
LEGISLATIVE/LAW ENFORCEMENT COMMITTEE**

**MOTIONS PLACED BEFORE THE FULL TASK FORCE  
11/21/03**

I. To request a state legislator to request an Attorney General opinion on the following questions related to the implementation of SB 420 and the City of San Diego's Medical Marijuana Guidelines:

- A. Can the City of San Diego run its own medical marijuana verification card program if it is consistent with the state's program?
- B. What does consistent mean in this context?
- C. Can we run our own program on an interim basis until the county program is underway?
- D. What has to take place at the state level before the county can proceed with implementing SB 420?
- E. What entities are qualified to be a designee of the county with respect to running this program? Will the City of San Diego be eligible?
- F. What effect does Governor Schwarzenegger's recent directive that the implementation of new regulations be suspended until they are reviewed have on the implementation of SB 420?

Note: The foregoing is the sense of the questions to be asked. The City Attorney will assist with ensuring that appropriate format and wording is used.

II. To direct the Task Force Chair to compose and send a letter to Dr. Nancy Bowen of the County Health Department which requests the following:

- A. That the County designate a liaison to the City Task Force to attend Task Force meetings.
- B. That the County include 2 representatives from the City's Task Force in whatever body is given responsibility for the implementation of SB 420 in San Diego.
- C. Information regarding what the County's plan and timeline are for implementing SB 420.

In addition, the letter will offer the County the assistance, experience and expertise of the City Task Force as the County develops its own program.
